The NCA will be required to sign the Championship Event Management Contract between the IF18CA and the Organising Authority to confirm that they know its contents and terms. The NCA, in support of the Championship, will assist both the Organisers and the IF18CA by providing advice and technical support to the Championship to be run successfully. One or more members of an NCA shall be part of the OA. Alternatively, the NCA itself may act as Organising Authority, in which case the contract will be signed by the IF18CA and the NCA only.
