CONSORTIUM HISTORY

1988

Founded in 1988 by a group of passionate sailing club Presidents, the Consortium was created to promote and develop the sport of sailing, which was relatively underappreciated in the region at the time. The goal was to foster collaboration among club members beyond their individual interests, focusing on organizing significant national and international sailing events.

Since its inception, the Consortium has been dynamic, particularly in nurturing young sailors and introducing innovative boat classes, such as multihulls, which were largely unknown in the region. The six sailing clubs, all official members of the Italian Sailing Federation (FIV), have supported successive Boards of Directors to expand their activities further.

From mid-lake (Bellano) to high-lake (Gravedona) locations, Multilario has successfully organized numerous national and international events

LAKE COMO

LOCATION

The clubs are located both along the eastern and western shore of Lake Como, from mid-lake to the high lake. This area is ideal for sailing due to its consistent thermal winds, particularly during summer. The facilities include:

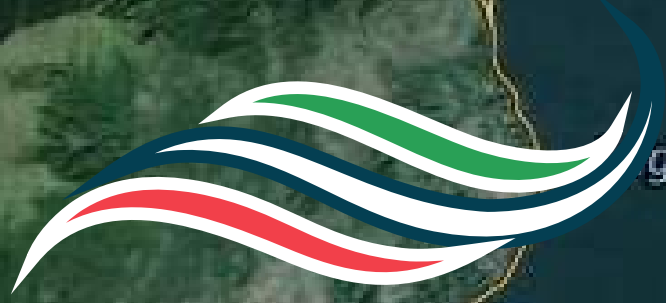

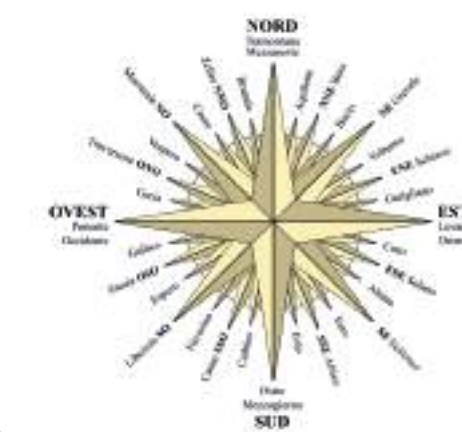

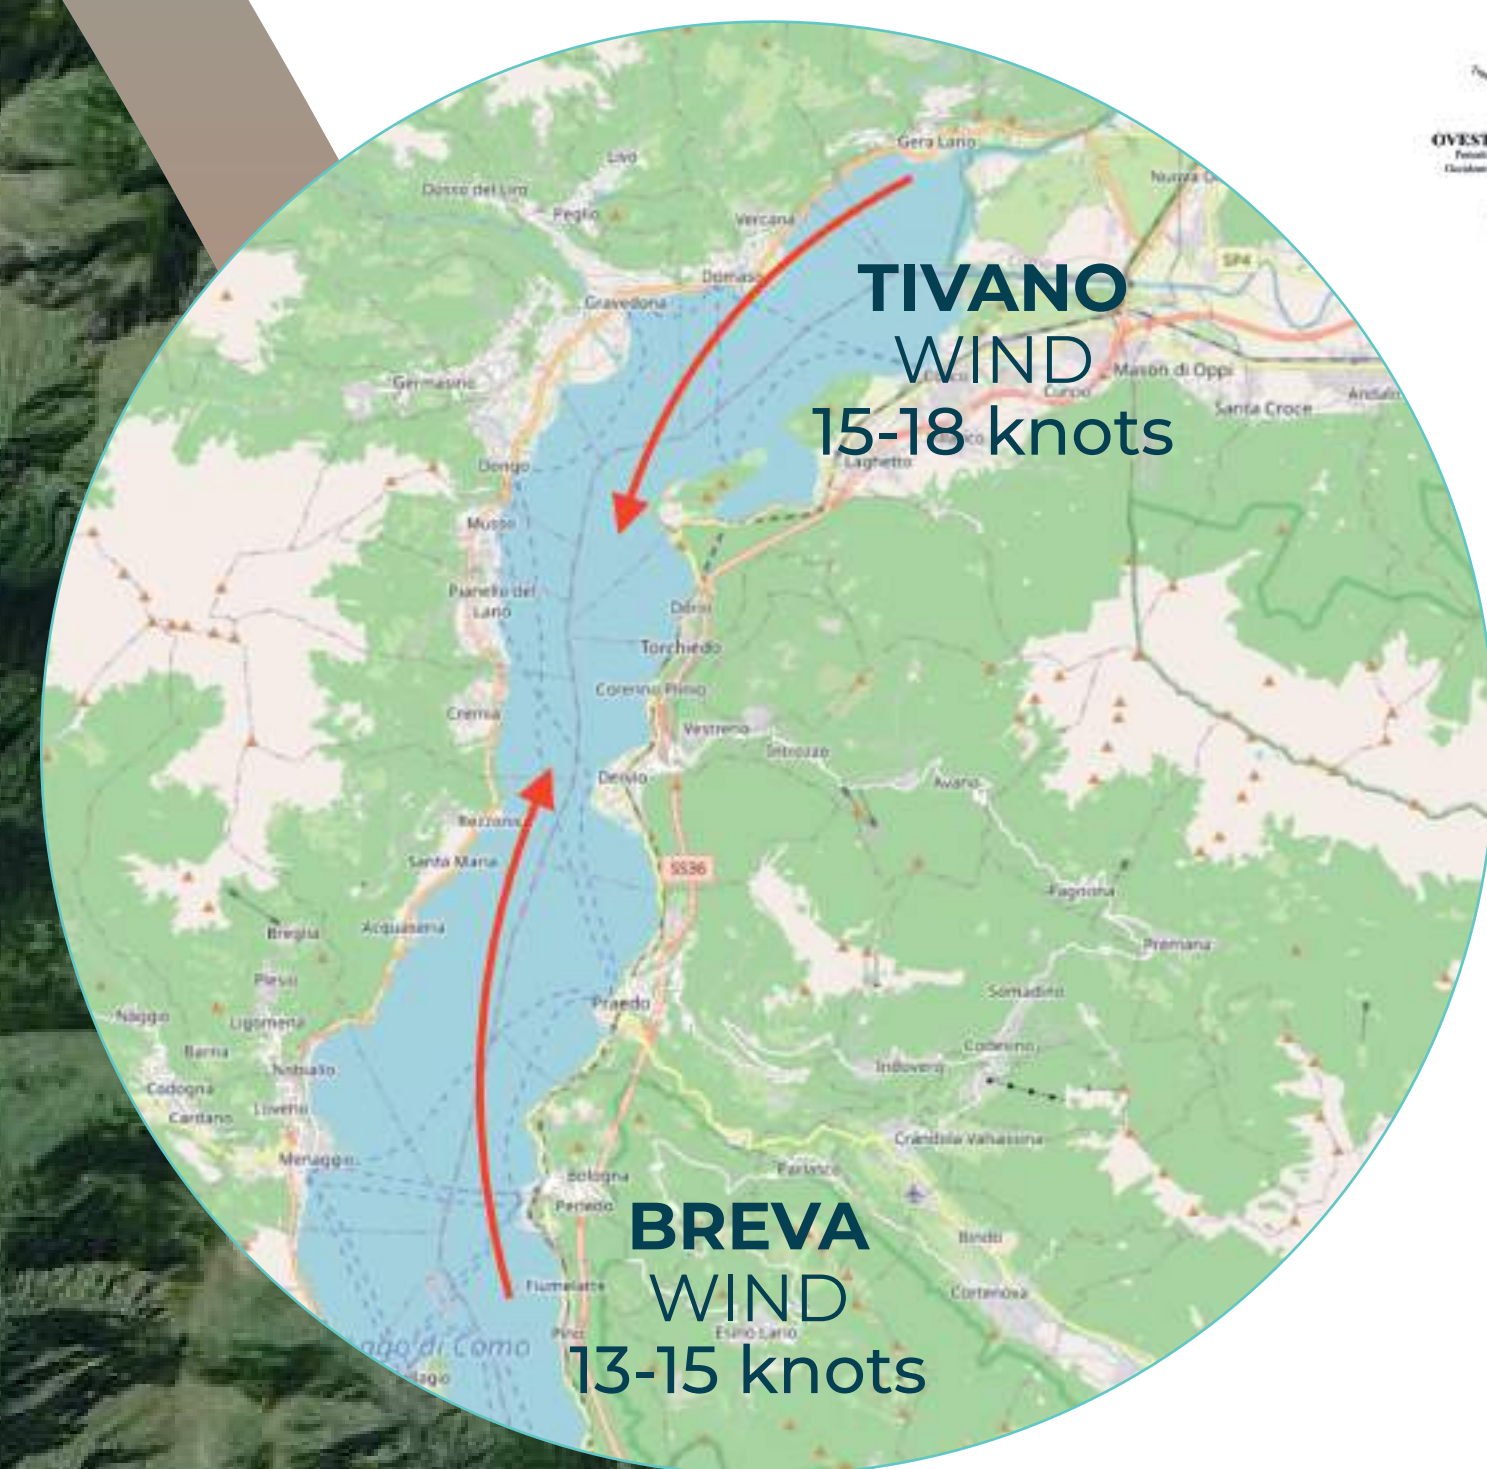

- 4,000 m² Nautical Bases (Bellano, Dervio, Gravedona, Dongo): Boat storage
- Covered technical areas with sanitary and dressing rooms
- Rest areas with grass and benches
- Two rotary cranes (capacity: 2.5 tons each)
- Floating piers for disabled accessibility
- Eight slipways, usable under any wind direction
- Bellano Mooring Area: 35 buoys for keelboats (installed in 2017)
- Clubhouses: Secretary offices, lounges and multipurpose rooms, kitchens and terraces with scenic views

The nearby Pavillon Palasole in Bellano (owned by the municipality) can host up to 500 people during major events.

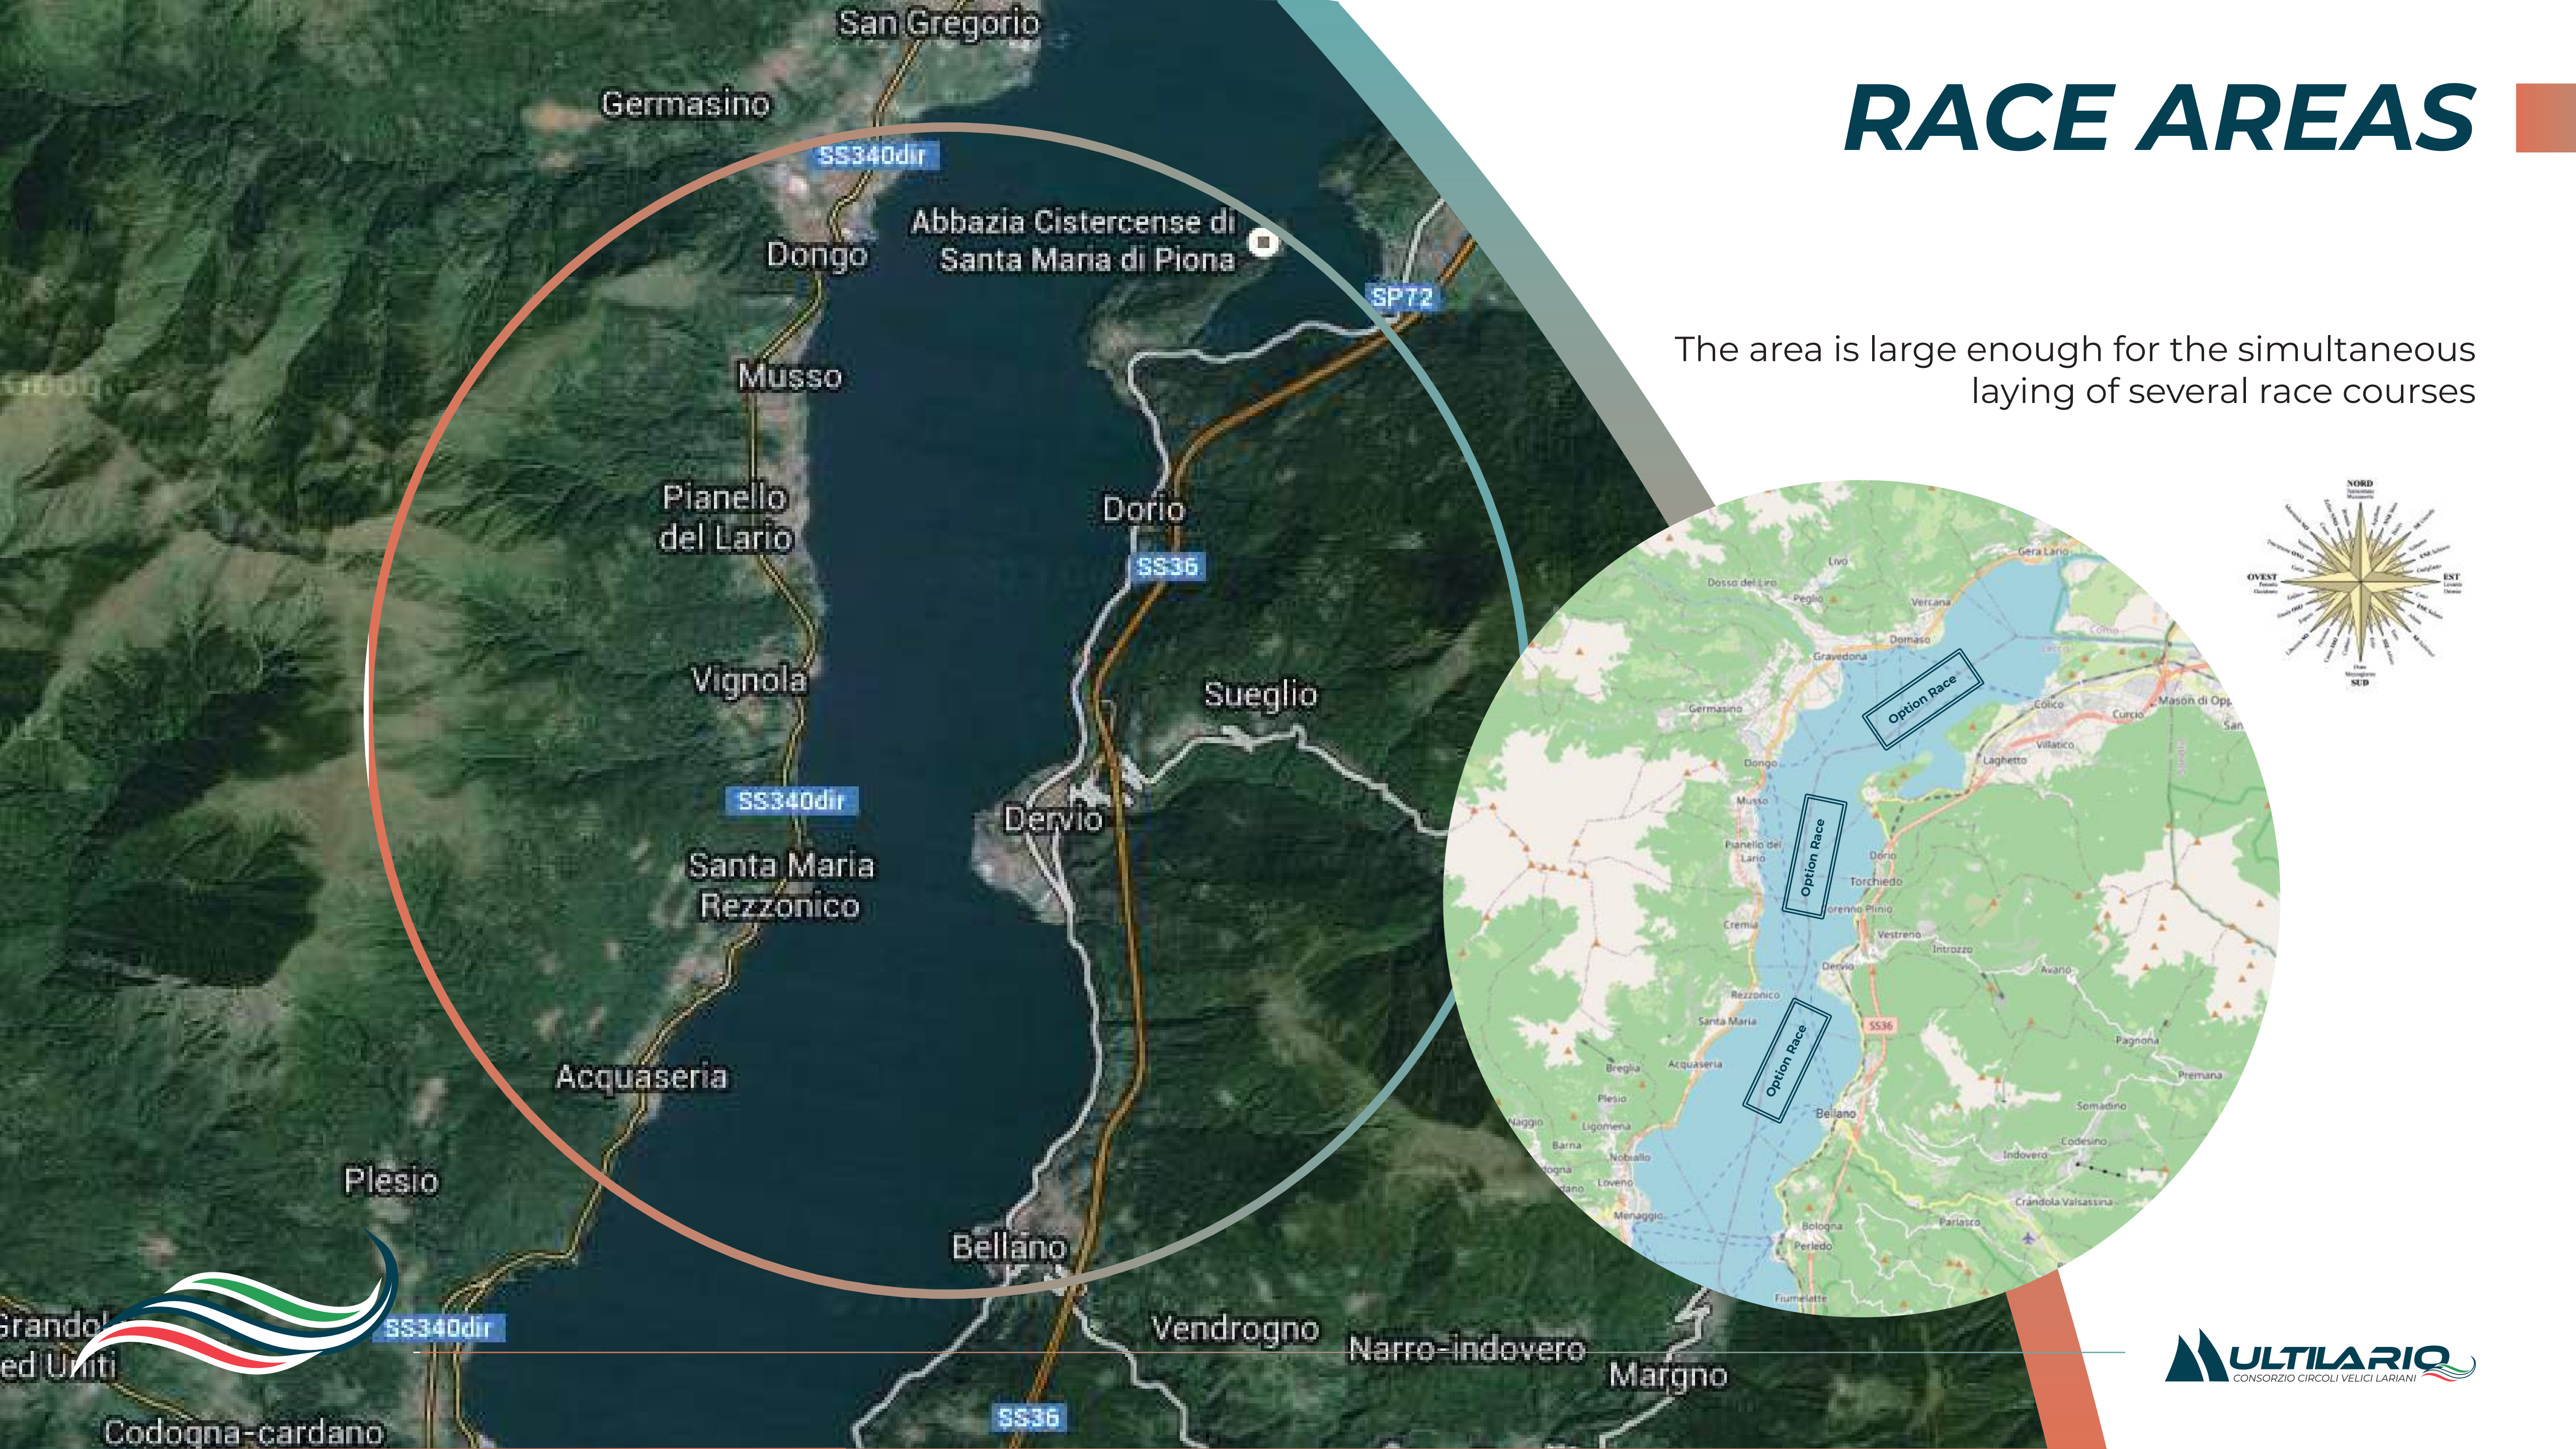

CONSORTIUM AREAS

Upper Lake Como, is recognized by sailors internationally for optimum and consistent wind conditions, ideal conditions for these flying classes.

RACE AREAS

The area is large enough for the simultaneous laying of several race courses

WHERE WE ARE

Lake Como's stunning surroundings provide diverse entertainment options for visitors, such as exploring historical sites, hiking in Dervio's hills, or visiting iconic towns like Bellagio, Varenna, and Tremezzo.

SAILING

SAILING

The official race calendar features 10-15 events per year for each club, covering regional, national, and international levels. Events are open to all classes, from Optimist dinghies to keelboats.

The clubs also invest heavily in sailing schools, training athletes in Optimist, 420, ILCA classes, 49er, 29er, and WASZP categories. Multilaro's athletes have achieved top results in Italian, European, and World Championships, solidifying the consortium's reputation as a premier sailing hub.

SAILING

Multilaro has the competence and the required enthusiasm to organise quality regattas.

All International Classes, willing to run their championship in a nice and reliable location, are welcome.
